Making a difference to HIV victims

THE Marriott Malaysia Business Council recently presented a cheque of RM42,000 to the Malaysian AIDS Foundation (MAF).

On hand to receive the cheque from Business Council chairman Robert Frager were MAF chairman Prof Adeeba Kamarulzaman, MAF executive director Jasmin Jalil and representatives from the Marriott Malaysia Business Council.

“This ‘spirit to serve our communities’ initiative aims towards ending AIDS in Malaysia. Every ringgit collected by the Malaysia Business Council on behalf of MAF will go a long way in making a difference to the lives of people living with HIV,” said Frager, who is also the general manager of Renaissance Kuala Lumpur Hotel.

“The generosity of our guests staying in our Marriott Hotels throughout Malaysia as well as from our staff in contributing towards this campaign enables us to help and give back to the communities in which we operate via the various initiatives all our hotels under the Malaysia Marriott Business

Council organise throughout the year.”

Prof Dr Adeeba said the Malaysian AIDS Foundation and the Malaysian AIDS Council are determined to further reduce new HIV infections by 90 per cent in the next decade.

“With the support of our corporate partners such as the Marriott Malaysia Business Council, this goal is achievable,” she said.

“We are grateful for this contribution which will help us improve health outcomes of underprivileged men, women and children living with HIV and take us one step closer to ending AIDS in Malaysia by 2030.”

The Marriott Malaysia Business Council hotels which participated in the campaign are Renaissance Kuala Lumpur Hotel, Renaissance Johor Baru Hotel, Renaissance Kota Baru Hotel, JW Marriott Kuala Lumpur, The Ritz-Carlton Kuala Lumpur, Putrajaya Marriott Hotel, Miri Marriott Resort & Spa and Mulu Marriott Resort & Spa.
