Stone lends star power

ACTRESS Sharon Stone speaks at a Press conference to promote the upcoming African First Ladies' Health Summit & Gala, at the Beverly Hilton Hotel in Los Angeles today. Sixteen First Ladies from different African countries will travel to Los Angeles on April 20 and 21 to meet with key political leaders, healthcare policy experts, as well as aid organisations and leaders in business to discuss critical issues like HIV/AIDS, maternal, reproductive and child health, and girls' education throughout Africa — AFPpic
