**KUALA LUMPUR:** Nasim Sdn Bhd, the official distributor of the Peugeot brand in Malaysia, recently raised RM200,000 for Hospis Malaysia following a corporate social responsibility (CSR) exercise launched in July.

The funds were raised from the sale of Peugeot cars and spare parts by Nasim during the exercise which was part of the company's Peugeot 200-Year Anniversary promotional campaign.

"We hope this contribution will help the organisation continue its work in caring for patients with terminal illnesses," said SM Nasarudin SM Nasimuddin, chief executive officer of Nasim and joint group executive chairman of the Naza Group of

Companies.

Hospis Malaysia is a charitable organisation that offers palliative care to patients suffering from life-limiting illnesses, such as cancer and AIDS, who live in the Klang Valley.

"The generous donation of RM200,000 will go a long way in helping us sustain our activities in providing care for the terminally ill," said Brigadier General (Rtd) Datuk Richard Robless, council member of Hospis Malaysia.

He said Hospis Malaysia provides both home-care and day-care services. From a hospice with 44 patients under its care 18 years ago, Hospis Malaysia, now receives a yearly referral of approximately 1,500 patients a year.
