MALAYAN Banking Bhd (Maybank) is committed to providing assistance to charity organisations and the underprivileged through various community projects under the Maybank Foundation.

President and chief executive officer who is also chairman of Maybank Foundation, Datuk Seri Abdul Wahid Omar said that this strategy was key in ensuring meaningful impact of all Maybank Foundation programmes, especially in communities where the Group operates.

"Maybank Foundation is a platform for the group to support those in need in the communities we operate," he said at break fast ceremony with the foundation beneficiaries recently.

The event specially organised by the foundation was attended by more than 150 senior citizens, orphans, single parents and disabled individuals from various welfare organisations as well as selected schools around Klang Valley.

They were presented with Hari Raya goodies and "duit raya" contributions.

Meanwhile, Maybank later presented RM72,000 in cash to the Malaysian Aids Council raised from the auction of Manchester United memorabilia held during the Maybankard TreatsFair 2012 earlier this year. TreatsFair is an annual redemption programme organised for Maybankard holders in Midvalley Megamall, Kuala Lumpur.
