## Hard Rock serves shelter homes

HARD Rock Cafe Kuala Lumpur recently hosted a *Buka Puasa* for more than 40 underprivileged women and children of Solehah Home and Positive Shelter Home — two half-way houses that provide integrated social services for children and women with HIV/AIDS.

The annual event is an effort by Hard Rock Cafe to nurture a caring attitude among its staff for the less fortunate.

The children and women were treated to a sumptuous spread of local and western delicacies and enjoyed music while sharing light moments.

"Individuals with HIV/AIDS require courage as the nature of the disease is life threatening without proper care," said marketing manager Nor Esah Abdul Ghani.

"Love and moral support play an impor-

tant role in helping them to fight through difficult times.

Hard Rock Cafe has carried out various community engagement projects to enhance society, especially the disadvantaged. One such project is the annual Hard Rock Cafe Feeding Programme.

Wan Hava Wan Hussin, founder and caretaker of POSHe said: "These individuals require attention and support from the public to help them through their tough journey.

"Every effort and assistance will be their hope and strength to fight for a better future," added Fathiah Hamzah, Project Coordinator of Rumah Solehah.

"The women and children are very thankful to Hard Rock Cafe, which has left them with an unforgettable memory."
