## WATCH

IT may have been shot in 2006, but that doesn't make it any less relevant today. Follow the journey of American actress Ashley Judd (Discovery Home and Health, Astro Channel 733) as she tours YouthAIDS centres in Central America with actress Salma Hayek and Columbian singer Juanes.

As goodwill ambassador for YouthAIDS, a non-profit, grassroots organisation that teaches HIV/AIDS prevention to young adults around the world, Judd's work has been the subject of three award-winning documentaries aired in more than 150 countries on Discovery Channel and National Geographic.
