AN unhealthy lifestyle and air-conditioning can cause dry and flaky skin. L'Occitane's Shea Butter skincare contains high performance ingredients — shea concentrate and natural sugars complex — which protect and nourish normal to very dry skin and help strengthen cell membranes.

### SUN SAFE

EXCEPTIONAL protection is the keyword for three products in the Soleil Suisse Sun Defense System range. With an SPF of 30 or higher, they not only safeguard your skin from damaging UVA and UVB rays with their highly effective filters, but also offer a critical "second line of defence" in the form detoxifying anti-oxidants.

### SCENT OF GOODNESS

A DROP of DKNY Verbena collection, sourced from Africa is a drop of goodwill as it supports local communities. The hybrid note of pure DKNY Verbena, verbena-basil is a delicate plant with a sparkling citrus, lemon-like quality.

The scent comes in a crystal clear bottle inspired by a raindrop. The bottle is made from recyclable glass and topped with a cap made of high quality recyclable aluminum.

RM125 to RM355 from DKNY fragrance hunters.

### GLAM FOR GOOD

THINK Ricky Martin and Nicki Minaj. MAC introduces Viva Glam Nicki lipstick in scene-stealing pink and Ricky's colourless lip conditioner in a tube. Proceeds go to the MAC Aids Fund. As MAC Cosmetics Viva Glam spokespeople, Ricky and Nicki have teamed up to raise HIV/AIDS awareness among young people everywhere. RM60 to RM63 at MAC counters.
