Francissca Peter to sing for HIV/AIDS organisation

PETALING JAYA: Francissca Peter will be performing to help raise funds for the PT Foundation.

She will sing for three hours during the organisation's 25th anniversary celebrations at Ecoba Restaurant & Bar, PJ Trade Centre, here, on May 19.

PT Foundation (previously known as Pink Triangle Sdn Bhd) is a community-based organisation which provides information, education and care services related to HIV/AIDS and sexuality.

Francissca will present her original and latest hits, including *Tomorrow*, a song she composed for World Vision Malaysia.

"This is a good chance for my fans who missed my recent concert at Sungei Wang Plaza.

"I would be happy to sing songs at the request of guests if they are willing to donate more to the foundation."

Peter said she hoped the money raised would help the foundation to provide assistance to others through its programmes.

"I'm also here to spread the message that we will not get infected with HIV by showing our care towards them," she added.

PT Foundation chairman Hisham Hussein said the organisation hoped to raise about RM20,000 through the show.

"We need money to fund HIV screenings, educational programmes and provide care to improve the quality of life for people living with HIV/AIDS."

There are 60 tickets for the dinner and performance priced at RM120. Tickets for the performance are priced at RM70.

Ecoba marketing and events director Kean Au said the three-course dinner will consist of mushroom with truffle extract soup, a choice of salmon or half-chicken, and panna cotta dessert.

"An ala carte menu will also be available," he said.
