# MRC bazaar to raise RM70,000

**KUALA LUMPUR:** The Malaysian Red Crescent (MRC) is hoping to raise between RM50,000 and RM70,000 through its signature fundraiser "Red Crescent Extravaganza Charity Bazaar" this December.

MRC Communications Manager Suhana Mohamed Salleh said the bazaar aimed to raise funds for its humanitarian services.

"Part of our services to the community is providing 24-hour service

for emergency cases, free of charge," she said yesterday.

The two-day event will also be in conjunction with World AIDS Day on Dec 1.

MRC intends to raise awareness of HIV/AIDS through a citywide cycling event.

"We will start at 8am e, and will give out flyers and materials to the public to raise awareness on the pandemic," Suhana added.

The bazaar will feature more than 25 stalls and car boot sale spaces with an array of food and beverages, products, painting auctions, mural and games.

Apart from various activities and showcases, visitors to the bazaar can also get to learn the basic knowledge about first aid at the Red Crescent booth.

Thirty per cent of the proceeds from the sales will be used to raise the funds needed.
