NEW VAN FOR CAKNA

IN conjunction with World AIDS Day, Yayasan Sime Darby, in collaboration with the Malaysian AIDS Council, donated a 14-seater van to Pertubuhan Komuniti Cakna Terengganu.

YSD Governing Council member Datin Paduka Zaitoon Othman presented the new Nissan Urvan van to MAC president Datuk Dr Raj Karim during a special ceremony at one of Cakna's shelter homes.

YSD's contribution includes petrol and maintenance costs of the vehicle for a year. This sponsorship enables

Cakna to carry out prevention, treatment, care and support programmes for people living with HIV (PLHIV) in Terengganu.

"The van will be an important asset for Cakna as it will now be able to carry out HIV prevention and support programmes more effectively," said Zaitoon.

"The van will go a long way to improve access to life-saving HIV treatment and prevention services for Terengganu's under-served communities," says Dr Raj Karim.
