## Return to Sahara

THE Malaysian AIDS Foundation Marathon des Sables 2016 Challenge will witness 26-year-old Kuala Lumpur-born marathon runner, Jeff Lau, repeating the extraordinary feat he achieved in 2014 — the youngest Malaysian to complete in what Discovery Channel calls “the toughest footrace on earth”.

Marathon des Sables is a six-day ultra-marathon spanning 251km across harsh arid terrain in the Moroccan Sahara Desert. Entering its 31st edition, the race this year will run from April 8 to 18.
