issue where our sub-editor Emma Chong managed to put together an outfit for just RM50. But don't worry, we'll have more of that.

### Good effort but not enough

I watched 'Adam - The Musical', loved it but disliked certain parts of the show. However, the woman pushing the wheelchair sang fabulously and the live music band was incredible. But don't you think the portrayal of HIV/AIDS is still very stereotypical in this country? *Loyal musical lover*

### On a man-mission too

Reading Sarah W's column has always been comforting but her article in your Nightlife section literally left me beaming. At least now I know that other people are scouring the bars for cuties and potential boyfriends too! Will bring my girls to the bars she recommended for sure. Thanks! *Single seeking love*

### Obsession

You are by far the hottest magazine in town. I am a regular of your events and I must say that it is

very well organised. I look forward to more happening events from TOKL, especially when the organiser is so lovely and hot! I read somewhere that you organise Singles Mingles event? Is that like speed dating? Can I get a date with one of your team members? *An avid reader of TOKL*

*We have a wonderful, dedicated marketing team who are really professional about our events. But you'll definitely meet other interesting people at our next event.*

### Fun party

I would like to strongly commend the efforts of your marketing staff who responded promptly and constantly ensured we were well taken care of during the football viewing party at Genting. I had a very good time. *YK*

### Web exclusive!

If you like the photo shoot that we have done with **Edwin and Shelah** on p26, we have uploaded more just on [timeoutkl.com](http://timeoutkl.com). Ogle at their, erm, fabulousness - as Shelah would put it.

## Letters to TOKL

### Cheap pretty dresses?

I'm simply amazed with your Consume section - all the stylish dresses, sleek-looking shoes and beautiful accessories. But can you suggest some inexpensive street wear that we can purchase at malls or even flea market? I get excited over finding cheap stuff to buy. *Veronica Liew*

*We have covered that in our March*
