WORLD AIDS DAY

With more than 33 million lives worldwide, the World AIDS Day is a day for people worldwide to unite in the fight against HIV, show their support for people living with HIV and to commemorate people who have died from it.

This year two icons stand up as Red Ribbon Celebrity Supporters to join the fight for the cause; award-winning actress Datin Paduka Umie Aida and rock star Faizal Tahir. Show your support by donating to PAL Scheme.

"Riding on the slogan Positive Audacious Living, PAL Scheme seeks to give Malaysians living with HIV a chance to prolong and improve their quality of life, Faizal Tahir encourages."
