Celebrities and other Los Angeles elite hit the red carpet in December for the American Foundation for AIDS Research (amfAR) 2013 Inspiration Gala at the Milk Studios. Sponsored by MAC Viva Glam, the event, which is dedicated to ending the global AIDS epidemic through innovative research, was attended by Kenneth Cole, Janet Jackson and Naomi Campbell, among many other notables.

The black tie event began with a cocktail reception before dinner, followed by a high-energy performance from the legendary Grace Jones. The gala also saw Goldie Hawn honoured for her outstanding humanitarian work, especially in the fight against AIDS.
