Caring car wash

Funds raised go to AIDS foundation

IN CONJUNCTION with International AIDS Memorial Day 2009, the staff of Omron Electronics and Chevron Malaysia Limited, which operates Caltex, joined forces to raise RM7,143 for the Malaysian AIDS Foundation.

The company's staff washed, dried and vacuumed more than 100 cars at a recent charity car wash at Caltex, Bandar Utama.

Representing Omron and Chevron, Albert Lim, area marketing support manager, Malaysia/Singapore/Cambodia, Chevron Malaysia Limited presented the cheque to Malaysian AIDS Foundation's senior executive of fundraising, Egmont Oswin.

The funds will be channelled to projects and shelters that helped men, women and children affected and infected with HIV/AIDS.

At a cheque-presentation ceremony held at Chevron Malaysia Limited headquarters, Bukit Damansara, organisers reiterated the importance of giving back to communities in which they work.

On the Car(e) Wash, Lim said: "The weather stayed fairly dry, and despite a slight drizzle at the end, both volunteers and sporting car owners still decided to do their bit for a good cause at the Caltex Service Station in Bandar Utama."
