## Excellent example

I'M writing in reference to your feature last Sunday, titled *Gender agenda*.

I volunteer with PT Foundation, an organisation that does HIV/AIDS prevention care and support among key affected populations.

I would like to commend the writer, Lee Tse Ling, on her excellent articles. They were well

researched, sensitive and non-judgemental, and set an example for future articles on the subject of gender and sexuality.

I look forward to seeing more articles on this and related topics in your paper.
