Miley crush

WHEN MAC asked Miley Cyrus to be the new Viva Glam girl, she took the opportunity to teach her young fans about what Viva Glam represents and to educate them about HIV/AIDS. Miley said she wanted to create a hot pink shade that was very disco, cyber and almost alien-inspired. And only after the lipstick shade was decided that they developed the Lipglass by almost chopping up a bunch of disco balls and mixing it with Miley's Viva Glam Lipstick!

It resulted in the Viva Glam Miley Cyrus Lipstick in Hot Pink (Amplified) and matching Viva Glam Miley Cyrus Lipglass in Hot Pink with sparkling pearls. This pair of bold colours will surely get everyone's attention as you speak! What's more important is that every cent of the sales from MAC Viva Glam Lipstick and Lipglass goes towards helping women, men and children living with and affected by HIV/AIDS.

Price: RM70 (lipstick) and RM70 (lipglass). Available at all MAC stores.
