About Project Angel Food

Project Angel Food's mission is to nourish the body and spirit of men, women and children affected by HIV/AIDS, cancer, and other life-threatening illnesses. Project Angel Food is the only organisation serving all of Los Angeles County dedicated to providing nutritious hot and frozen meals on a daily basis to people with HIV/AIDS and other serious illnesses. The meals, prepared by professional chefs and volunteer assistants, are nutritiously-appropriate, attractive and always made with the freshest ingredients. The registered dietitians provide clients with individual, nutritional counseling. There is no charge to clients for these services. Since its inception in 1989, the Project Angel Food Program has prepared and delivered more than 5.7 million meals. Last year, the Project Angel Food prepared and delivered 597,975 meals to 2,340 individuals.
