KLC puts you in touch with the best

Medicine is the art and science of healing, derived from the Latin word *ars medicina*, meaning the art of healing.

If your dream is to become a doctor, dentist or pharmacist, KLC Placement Services can help you achieve your dreams in some of the most prestigious universities in the world. KLC Placement Services understands the needs of parents when it comes to giving their children the best education while

keeping in mind their financial capacity.

Below is the list of universities, which are recognised by Public Services Department, Malaysian Medical Council and the World Health Organisation that KLC is registered with:

Russian State Medical University

The 200-year-old university, situated in the heart of Moscow, is one of the oldest and most distinguished in the world.

RSMU accommodates more than 700 Malaysian students. Courses are conducted in English and hostel is provided within the vicinity of the campus.

I.M. Sechenov Moscow Medical Academy

Formerly known as the first Moscow Institute of Medicine, today, the Academy is a major centre for training, certification and upgrading of medical personnel and pharmacists. It has 20 buildings

for studies, a clinical centre with 17 diverse clinics for 3,000 patients for the students to practice on. Courses are conducted in English.

University Padjajaran Bandung

With a cool climate like that of Cameron Highlands and hotel-class hostel for Malaysian students, this university is popular amongst Malaysian students for Medicine, Dentistry and Pharmacy.

The university carries out many collaborative projects with other universities, among others on the integrated management of prevention, advocacy, control and treatment of HIV/AIDS.

University Sumatera Utara (USU) Medan

This university began with the establishment of the Foundation University of Sumatera Utara in 1952.

It has 16 departments within the Medical Faculty, a faculty for Dentistry and Pharmacy, which makes up a total of 13 faculties at the University. USU houses some 500 Malaysian students.

Contact Dr. Max at 012-206 6746. KLC Placement Services is at 251-2 Jalan Tun Sambanthan, Brickfields, 50470 Kuala Lumpur.
