LA FORCES PORN ACTORS TO WEAR CONDOMS

LOS ANGELES: Los Angeles mayor Antonio Villaraigosa signed into law on Tuesday an ordinance requiring porn actors to use condoms, a measure welcomed by AIDS campaigners. City lawmakers voted in favour of the law earlier this month; in the latest move in a battle between AIDS activists and the US adult film industry. The measure notably forces film production companies pay a fee for a film permit to finance inspections. AHF President Michael Weinstein hailed Villaraigosa's final step, calling it "a great day for Los Angeles, a great day for the performers and a great day for safer sex." – AFP
