UKRAINE'S SEX INDUSTRY BETS ON EURO 2012

KIEV: Ukraine's sex industry is banking on pulling in clients and cash during Euro 2012 but campaigners paint stark warnings given that the championship co-host has the highest rate of HIV infection in Eastern Europe. "Kiev's prostitutes are preparing actively for Euro 2012," one Ukrainian sex site said, claiming that some are even studying the history of the 16 nations taking part in the tournament, plus the basics of football, to get a competitive edge. – AFP
