Reaching out to children living with HIV

BY **TIMOTHY ACHARIAM**

SHAH ALAM: In conjunction with World AIDS day which is today, the Malaysian AIDS Foundation, in collaboration with the Berjaya Cares Foundation, hosted the "Kidz Day Out!" yesterday to honour 30 children living with HIV.

The children are also

beneficiaries of the Paediatric AIDS Fund, which gives monetary aid to underprivileged families living with HIV.

Earlier this year, the fund came under threat of discontinuation due to lack of funding. The Berjaya Cares Foundation came to

the rescue by committing RM360,000 at the Berjaya Founders Day celebration in March.

"We are pleased to be working with the AIDS foundation and we are committed to the cause," said Berjaya Corporation Berhad executive director

Datuk Zurainah Musa.

The AIDS foundation has had a long history and partnership with Berjaya Corporation. Through the years, Berjaya has contributed approximately RM1.23 million to the AIDS foundation.
