## Najib: Spread AIDS awareness

**KUALA LUMPUR:** In conjunction with World AIDS Day yesterday, Prime Minister Datuk Seri Najib Abdul Razak called on Malaysians to spread greater awareness and understanding of the dangers associated with the disease.

"I believe more can be done to achieve a world that is free from HIV and AIDS," he said in his latest Facebook posting.

The global theme of World AIDS Day is "Getting to Zero".

It entered its fourth year this year with stigma and discrimination reported to remain as the biggest threat to the progress that the world has made in the response to HIV so far. - Bernama
